# The Evidence Behind Our Name

## MEASURE LEARNING AT A GLANCE

**5.3M** exams administered annually

**500+** higher education clients

**675+** professional assessment clients

**24/7/365** support

**20+** years of assessment industry experience

*[Meazure Learning's] willingness to collaborate with us and think about the needs of our organisation [goes] above and beyond what we would expect from other [providers]. And that's exactly why we're loyal to [them]."*

—Kyle Todt, Director of Assessments, Royal College of Dentists of Canada

## GLOBAL EXAM CENTRE NETWORK

**1,400+** exam centres

**110+** countries

**1.5M+** seats

**3,500+** personnel

*We've been a part of Meazure Learning's global Test Centre network for over a decade. They are highly conscious of test integrity and seek to offer the best experience to test takers. Their team is a delight to work with as they are well-trained, responsive, and process-oriented. We consider it a privilege to partner with them."*

—L S Venkatesh, Director, Ecole Solutions Pvt Ltd, India

## INDUSTRY-LEADING REMOTE INVIGILATION

Pioneered live remote invigilation in **2008** via the ProctorU Platform

**2,000+** global remote invigilation operation staff

Invigilating test-takers in **190** countries

**30,000+** daily capacity for live sessions

**Unlimited** capacity for Record+ exams

*The [remote invigilation] satisfaction rate from our test-takers is very high. One of our testing programmes used to be ten times a year paper-based, but now you can take it remotely 24 hours a day, 7 days a week."*

—Ray Nicosia, Executive Director, Office of Testing Integrity, ETS

## EXAM DEVELOPMENT & PSYCHOMETRIC EXPERTISE

**30+** dedicated psychometricians, exam developers, & statistical analysts

Collaborate with **3,000+** client subject matter experts annually

**93%** average satisfaction rate among subject matter experts

**500+** exam development sessions facilitated annually

*We relate with everyone [on the Psychometric team] and really [feel] like they . . . work with us and teach us."*

—Danielle Sadighi, Vice President of Sales & Marketing, American Medical Certification Association
