

## Maplesoft

### Maplesoft

Available to purchase until 30/04/2023

This agreement provides a site licence for the Maplesoft product family of advanced mathematical and analytical software. Using Maple's mathematical computation engine with integrated numerics and symbolics users can solve mathematical problems and create technical applications.

## Key Facts

### Benefits

- 3 year licence with fixed pricing
- Full range of Maplesoft products and add-ons
- Remote access with student distribution extension
- Price banding based on institution size
- Now includes Overseas Campus option

### Important dates

**Agreement start:** 1 May 2018

**Agreement end:** 30 April 2023

**Invoice date:** one month in advance of the anniversary date of licence

### Commitment Period

Institutions may participate at any time during the 5 year period; however, they will be bound by the terms and conditions, including payments for three years from their enrolment.

### Licence type

Site licence.

There is an option to purchase the Student Distribution Extension which allows students to access Maple personal computers using a thin client network (e.g. Citrix) or using remote access software (e.g. PCAnywhere).

### Eligible Institutions

This Agreement is available to Institutions of Higher and Further Education in the UK and Research Councils in the United Kingdom, and to Higher and Further Education Institutions (Third Level Colleges) in the Republic of Ireland.

### Background Information

This is a renewal of an agreement first negotiated in 2008 with an updated product range and enhanced bundles.

# Product Information

## Supplier Details

**Licensor:** Waterloo Maple Inc., acting through its Trading Division “Maplesoft”, an Ontario, Canada based company with offices at 615 Kumpf Drive, Waterloo, ON, N2V 1K8, Canada

## Product Description

- **Maple** - mathematics software tool providing a mathematical computation engine with integrated numerics and symbolics. Thousands of mathematical functions, hundreds of 2-D and 3-D plotting routines, and professional publishing tools. The Maple site licence includes MapleNet and Precalculus and Calculus Study Guides. In addition Teaching Calculus with Maple and Maple Player are available free of charge via the MapleSoft web site and Maple Player for iPad is available via Apple App store.
- **Maple add-on products** - Maple Grid Computing Toolbox
- **MapleSim** - site licence includes: MapleSim Connector, MapleSim Connector for LabVIEW™ and NI VeriStand™ and MapleSim Control Design Toolbox
- **MapleSim add-on products:** MapleSim Connector for dSPACE® Systems, MapleSim Connector for VI-CarRealTime™, MapleSim Connector for B&R Automation Studio, MapleSim Connector for FMI, MapleSim Tire Library and MapleSim Driveline Library
- **Overseas Campus, On-site use** Expand your Maplesoft Chest licence to cover on-site use at your overseas campuses. One licence is required for each main product to be covered overseas. Prices are based on Home Campus size.
- **Student and Staff Distribution/Virtualisation Option** allows institutions to do any and all of the following:
  - Distribution: You can distribute copies of the software to students and staff to install and use on their own, personally-owned computers. An internet connection is required to activate the software, but after that, the software can be used even when the user is off-line.
  - Virtualisation: You can allow students/staff to access Maplesoft software remotely, such as through a campus cloud, through flexible license key sharing using Citrix® software or similar systems, or other means. The software is installed on university-owned computers, and students and staff can access it from any computer using an internet connection.

## Maplesoft Support Materials

### Maple the ideal vehicle for algebra students at Bath University

Maplesoft's mathematics software, Maple, is being used at Bath University to provide a framework for the teaching of complex mathematics problem solving and for students to complete course work and assessment. Read more [here](#).

### Advanced teaching benefits with control hardware and modeling software - University of Bristol

Use of a Quanser design control system is challenging students at Bristol University to look beyond the immediate project confines to find new solutions, whilst MapleSim modeling software is aiding postgraduate students in the development of robotic systems. Read on [here](#).

### Maplesoft presents Awards of Excellence to two University of Birmingham Students

The scholarships provide monetary assistance for three years to each student for their graduate studies. They were selected from a group of students that was instrumental in encouraging and contributing to the use of technology in various undergraduate courses at the university. [Read the press release](#)

### The University of Manchester Uses MapleSim in Robotics and Control Systems Courses

The Challenge: A professor at the University of Manchester was seeking the best modeling and simulation software solution to help students in his Robotics and Control Systems courses visualize the concepts they were learning. [Learn more...](#)

## Service and Support

### Trials

A free 30 day single user evaluation copy of Maple is available – contact [Chest Help](#) to organise

### Product Documentation

Documentation is provided as pdf's and may be downloaded from the [Maplesoft Documentation Center](#)

### Training and Training Materials

Free on-line training is available from [Maplesoft Training](#). In addition, a huge range of resource material is available on the [Maplesoft Welcome Center Academic](#).

This agreement does not include the provision of training and training materials other than the built-in examples. Group training is available from Maplesoft at normal rates.

### Technical Support

Maplesoft will provide telephone advice and support to the nominated technical Contact and/or his/her Deputy at Licensed Institutions during normal business hours. Maplesoft support can be contacted at:

Phone: 01223 828989

Email: [support@maplesoft.com](mailto:support@maplesoft.com)

### Supplier Web Address

Supplier home page: [www.maplesoft.com](http://www.maplesoft.com)

### System releases, new versions and functionality:

New releases, versions and functionality are included.

### Platforms

Platform availability and system requirements are available here: [www.maplesoft.com/products/system\\_requirements.aspx](http://www.maplesoft.com/products/system_requirements.aspx)

### Method of delivery of product

Electronic download

## Terms and Conditions

The Chest Order, together with the Licence Terms and Conditions, and any exceptions listed below, create a legally binding contract between your institution, organisation or company and the Licensor. Therefore please read the terms and conditions carefully and only submit a Chest Order if its terms and conditions are acceptable to your institution, organisation or company

and you have the authority to make the financial commitment shown.

## Licence Type

This Site licence is subject to the terms and conditions for the [Standard Chest Licence for Software](#).

Copying of the Software is allowed in accordance with the terms and conditions for the Standard Chest Licence for Software.

## Payment Terms

On receipt of a completed order, Sites will be invoiced by Maple for the first year of the licence. For each subsequent year, Sites will be invoiced one month in advance of the anniversary date of their licence.

- Complete one Purchase Order made out to Maplesoft Europe Ltd., The Officers' Mess, Royston Road, Duxford, Cambridgeshire CB22 4QH for the product licence pricing.
- The Purchase Order for the **Chest Fee** should be made out to **JISC, 4 Portwall Lane, Bristol, BS1 6NB**. Chest is an Enterprise of JISC.

All terms contained in a PO are expressly rejected and do not form part of the Licence or vary the Licence terms in any way.

Sites may, if they wish, pay a single charge to Maple to cover their commitment period (3 years). Please advise [Chest Help](#) if you would like to do this.

Payments are due within thirty days of invoice dates; recipients of late payments are entitled to interest in accordance with **UK statutory provisions**.

## Termination Clauses

At the end of the agreement period sites must remove the Maple and /or MapleSim. software, along with any add-ons, from their systems.

## Location and Use Permissions

The product(s) may be used by any Authorised User of the Licensee for Educational Purposes which includes the administration and management of the licensee's educational and research operations. These permissions are described in the terms and conditions for the Standard Chest Licence for Software.

Students	Yes
Academic Staff	Yes
Non-Academic Staff	Yes
Administration and management	Yes
Staff home use rights	No
Student home use rights	No
Installation on Hosted Server	Yes
Overseas Campus use	Yes*

*\*Overseas Campuses may use the software only if they purchase the Overseas Campus option. See Product and Pricing tab for more information*

The use of the Product for the **administration and management** of the Licensee's educational and research operations is permitted under this Licence.

**No Home Use.** This Licence Agreement includes home use for 100 lecturers for Maple or MapleSim. Student and other staff home use of Maple and MapleSim is not included, unless the Student & Staff Distribution/Virtualisation Extension has been purchased by the Licensee.

**Hosted Servers.** Other than inclusive home use for up to 100 lecturers, the Licence Agreement excludes home use of the Software on personal computers so hosted installations cannot allow this use, unless the Student & Staff Distribution/Virtualisation Extension has been purchased by the Licensee.

**File Servers.** You may install the Software on computer file server(s) within your internal network for use of the Software initiated by an individual from a computer within the same internal network only (that is, not VPN or remotely accessible). You cannot install or access (either directly or through commands, data or instructions) the Software from or to a computer that is not part of your internal network. Operations not initiated by an individual user (for example, automated server processing) are not allowed.

**Hosted server software** (for example, Citrix, Remote Desktop/Terminal Services, etc). The Software may be installed and used on a hosted server software server for direct usage by users (no automated, programmatic, or scripted usage), providing the users are using the Software on a Licensee owned or operated computer.

## Personal Licences

Maple can be accessed from personal computers by students using a thin client network (e.g. Citrix, etc) or using remote access software (e.g. PCAnywhere, etc) only if the **Student Distribution Extension** has been purchased.

If the Student Distribution Extension has not been purchased then students may purchase a Personal Licence for £75 (excluding delivery and VAT) directly from Maplesoft.

Academic staff can apply for a free home use licence for Maple and the Maple Toolboxes by applying to Maplesoft who will issue a single user Purchase Code.

---

## Products and Pricing

Prices are in GBP £ and exclude VAT.

In the UK prices are based on size of institutions using Jisc Bands:

Site size	Jisc Band
Large	1-4 and all Research Councils
Medium	5A, 5B, 6
Small	7-8
Very small	9-10
Associate Sites	Variable on request

In the **Republic of Ireland** universities and third Level colleges have been placed in similar bands based on their full time equivalent student numbers. See: [Ireland Price Bands](#).

Licences commence **for 3 years from the date of countersignature of the licence by Maple**. Maplesoft will invoice for the licence fees.

Pricing is fixed for three years of a site's licence and for the first three years of the agreement. However, Maplesoft has a right of review of pricing three years in to the agreement; in this case prices may rise but by no more than compound inflation.

**The Chest fee is £300 plus VAT per annum or £810 if all three years are paid upfront (there are no price bands). Please select the appropriate Chest Fee from the bottom of the lists when you order. JISC will invoice for the Chest Fee.**

Payment terms are shown on the [Terms and Conditions Tab](#)
