Agreement Details

The Chest Microsoft Select Plus Agreement allows sites to take advantage of the Microsoft Academic Select Plus Agreement without the need to commit to purchasing volumes of licences.

As well as purchasing perpetual licences under Select Plus the scheme allows sites who wish to, to take advantage of the Software Assurance benefits available to your institution.

The resellers for this agreement are those on the National Framework for Software Resellers to ensure transparency of pricing and to allow all members of the Community to enjoy the benefits of aggregated purchasing. The resellers under the agreement and details of their pricing and value added services can be found at the Microsoft Select Plus Resellers tab.

This agreement is only available to Higher and Further Education Institutions in the UK.
