Agreement Details

A standard Academic CLP Agreement requires sites to purchase at least 5,000 'points' of products to join and 100,000 points to achieve the highest level of discount – Tier 3. The Adobe Master CLP Agreement requires no minimum purchase to join and all sites will enjoy the Tier 3, top level of discount regardless of their individual spend.

The Adobe Master CLP Agreement runs until 5 April 2021 and sites may join at any time – you do not have to wait for your existing CLP Agreement to end.

Licence pricing will depend on your choice of reseller and the product(s) you wish to order.

The Chest Fee to join this agreement is £0 but you will still need to complete and return a Participation Form - found on the Products and Pricing tab.

There is a choice of resellers that the Adobe licences may be purchased through, they are all on the National Framework for Software Resellers Framework. There is no requirement to use the same reseller for all your Adobe purchases but this scheme is only available from the resellers listed - please see the 'Reseller' tab.
