# Product Information

## Supplier Details

The Institution of Engineering and Technology, a Company incorporated by Royal Charter in England and Wales (company number RC000263), and registered as a Charity in England & Wales (no 211014) and Scotland (no SC038698), whose registered office is Savoy Place, London, WC2R 0BL.

## Product Description

The Institution of Engineering and Technology (IET) is a specialist publisher for the global engineering and technology community and offers a comprehensive selection of journal titles across a range of disciplines.

The collections provide international researchers, professionals and students with new perspectives and developments in emerging subject areas, including healthcare technologies and cyber security, as well as forward-looking publications in traditional engineering topics and practitioner topics such as IET Standards. The IET's high-quality journal portfolio provides a comprehensive resource for the engineering and technology community. Each journal is searchable and all journals are available free of DRM restrictions.

In addition to the current titles, the IET Journals Archive is available as an online resource with perpetual access, comprising the complete

collection of research journals and magazines published by the IET from 1872 – 2012
