# Product Information

## Supplier Details

**Owner:** The American Mathematical Society (AMS), an association of professional mathematicians dedicated to the interests of mathematical research and scholarship, having its principal offices at 201 Charles Street, Providence, Rhode Island, RI 02904I2294 US.

## Product Description

AMS peer-reviewed journals are of the highest quality in mathematical research. Their journals have been published since 1891 and cover a broad range of mathematics. Each journal is managed by editors who are prominent in their fields, and each is unique in its offering of articles, book reviews, and reports.

**Journal of the AMS** dating from 1988 is devoted to research articles of the highest quality in all areas of pure and applied mathematics

**Mathematics of Computation** is devoted to research articles of the highest quality in computational mathematics. Areas covered with a backfile from 1943 include numerical analysis, computational discrete mathematics, including number theory, algebra and combinatorics, and related fields such as stochastic numerical methods.

**Proceedings of the American Mathematical Society** is devoted to shorter research articles dating from 1950

**Transactions of the American Mathematical Society** is devoted to research articles dating from 1900 in all areas of pure and applied mathematics./p

**Memoirs of the American Mathematical Society** is devoted to the publication of research in all areas of pure and applied mathematics. Papers are generally at least 80 and not more than 200 published pages in length. Shorter or longer papers require the approval of the Managing Editor.

The agreement covers the current year plus a moving 5 year backfile;

- In 2024 the backfile starts in 2019
- In 2025 the backfile starts in 2020
- In 2026 the backfile starts in 2021
- In 2027 the backfile starts in 2022

**Transactions of the Moscow Mathematical Society** - this journal dating from 2004, a translation of Trudy Moskovskogo Matematicheskogo Obshchestva, contains the results of original research in pure mathematics.

**Theory of Probability and Mathematical Statistics** - this journal is a cover-to-cover translation into English of the Teoriya Imovirnostei ta Matematichna Statistika, published by Kiev University dating from 2004.

**St. Petersburg Mathematical Journal** - this journal is a cover-to-cover translation into English of Algebra i Analiz, published six times a year since 2004 by the mathematics section of the Russian Academy of Sciences.

**Sugaku Expositions** contain translations into English of expository articles from the journal Sugaku, published by Iwanami Shoten, publishers for the Mathematical Society of Japan. Published biannually, each issue of Sugaku Expositions contains several expository articles that provide highly informative accounts of a variety of current areas of research.
