Commitment Period

This Agreement is a continuation of the initial one-year pilot, renewing for a further two years. Institutions may join the agreement at any time during the agreement period.

Eligible Institutions

Universities and other learning, educational and research bodies.

Other organisations aligned with Jisc's charitable objectives of supporting education, research bodies and the public sector may ask to participate in the Agreement. Chest will liaise with the Supplier about any such requests.

Background Information

This is a publishing pilot. The read element will remain separate from the OA pilot due to the complexities relating to third party providers and to ensure an immediate compliant route for funded authors. Jisc and APA will continue to work together to assess the feasibility of a single combined read and publish agreement when both agreements renew for August 2026 onwards.

Product Information

Supplier Details

Owner: American Psychological Association (APA) 750 First Street NE, Washington, DC 20002-4242.

Product Description

APA is a leading scientific and professional organisation whose mission is to advance the creation, communication and application of psychological knowledge to benefit society and improve people's lives. A range of publications and collections are available covering topics ranging from Addictions, Anxiety, Children, Depression, Ethics, Race, Sexuality, Stress, Therapy, Workplace Issues and more.

The OA Publishing Pilot is specific to hybrid journals in PsycArticles, which contains the full text of some of the most highly cited publications in psychology.

A total of **86 APA hybrid journals** and 15 Hogrefe hybrid titles are eligible under the OA Publishing Pilot agreement.

An article cap applies to this agreement. The cap is set at consortium level and is equivalent to 1.5 times the current cap of 354 articles set in the 2022/2023 OA agreement. The new consortium article cap will be set at 531. The article cap includes both APA and Hogrefe titles and will be run on a first come, first serve basis.

OA articles published during previous periods by UK participating institutions collectively;

- Aug 2022-Jul 2023: 85
- Aug 2023 to Mar 2024: 66

Should the cap be exceeded; participating institutions will have the following two options:

- 30% discount off list price APC for both APA and Hogrefe hybrid titles.
- All authors are entitled to zero embargo Green OA with APA Copyright as per APA's standard policy: <https://www.apa.org/pubs/journals/resources/open-access>.
- Authors whose funder (e.g. UKRI, Wellcome, cOAlition S) and/or institution (e.g. those with Rights Retention policies) require it may attach a CC-BY licence to the accepted manuscript.

Participation criteria: Institutions wishing to participate in the OA Publishing Pilot must have a read subscription to the Chest APA Resources. Please contact **Roohana Khan** at APA for further details on read access.
